

CRESTLINER

FORGED WITH STRENGTH. DEFINED BY DURABILITY.

2021 DEEP-V CATALOG

POSSIBILITY BEGINS WHERE LAND ENDS.

Where we come from, there's no better phrase than "let's take the boat out." It's an invitation and an opportunity to get out and satisfy your craving for all things water. Whether you're chasing bites before sunrise, skiing with the family in the afternoon sunshine or cruising the shores at sunset, you're riding on a legacy of exceptional innovation, durability and quality. Our boats are designed so you can experience the water how you want, when you want, where you want. And while today's reason for leaving land may be different than tomorrow's, your Crestliner isn't just up to the task—it's built for it.

FORGED WITH STRENGTH. DEFINED BY DURABILITY.

THE LATEST IN DEEP-V HULL INNOVATION.

Our revolutionary Active Performance (AP-X) Hull delivers instant lift, enhanced driving responsiveness, accelerated holeshots and exceptional control. And it's unlike anything you've experienced before.

The heart of every Crestliner boat is built with premium materials by skilled craftsmen to deliver durable, long-lasting performance from one season to the next.

1 LEGENDARY FOUR X HULL

Four sheets of premium-grade aluminum and a meticulous welding process create our legendary one-piece Four X Hull. The smooth, flawless design slices through water and big waves with minimal drag.

2 INTERLOCKING TONGUE-AND-GROOVE CONSTRUCTION

Model-specific jigs, a unique interlocking tongue-and-groove construction and an advanced continuous-seam welding process create a one-piece bonded hull for unmatched strength and durability.

3 EXTRUDED FULL-LENGTH KEEL

A thick extruded full-length keel from bow to stern withstands punishment and provides maximum strength, durability and control at any speed.

SUPERIOR STRUCTURAL INTEGRITY

An intricate stringer foundation supports every inch of the boat, ensuring a safe, smooth ride.

DOUBLE-WELDED, WOOD-FREE TRANSOM

The transom of a boat is subject to tremendous force and needs to harness powerful engine torque. That's why our transoms feature a double-welded design inside and out and wood-free composite construction.

1 HIGH-PERFORMANCE HANDLING

The AP-X hull's dual tracking edges deliver maximum control while cornering and improved tracking while trolling.

2 GRAB THE HOLESHOT

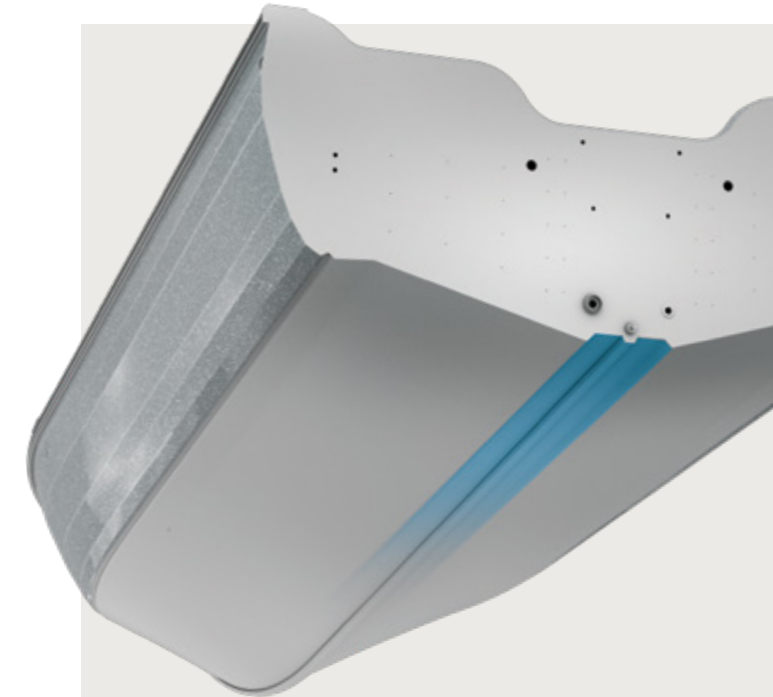

Engineered with a recessed pad design for instant lift and an accelerated holeshot, the AP-X hull gives you incredible speed and control.

3 MAXIMIZE ENGINE PERFORMANCE

The breakthrough AP-X hull design channels water so the prop is fed a continuous flow of undisturbed water for maximum engine performance.

4 A CRESTLINER-EXCLUSIVE DESIGN

The AP-X hull is available exclusively on limited models: 1850 and 1950 Sportfish, 1750 and 1850 Super Hawk and 1850 Raptor.

PROVEN TECHNOLOGY

Crestliner's Active Performance AP-X hull has won a *Boating Industry* Top Products award, which recognizes "the marine industry's best new and innovative products."

THE CRESTLINER ADVANTAGE

ENDURING QUALITY

At Crestliner, integrity and passion drive every decision we make. We take pride in our generations of engineering innovation—designing boats that last generations too.

14 CONSECUTIVE CSI AWARDS

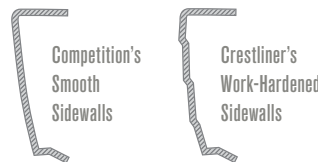

LIMITED LIFETIME WARRANTY

Protect every purchase with a limited lifetime warranty on mainseam welds, a three-year bow-to-stern warranty on virtually everything else and the ability to transfer warranties to future owners. (See warranty for details. Warranty differs on CR Jon boats.)

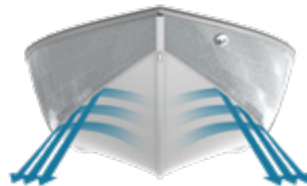

WORK-HARDENED SIDEWALLS

For added strength and rigidity

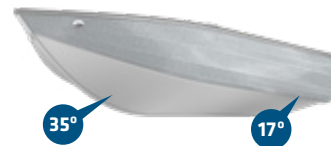

REVERSE CHINE DESIGN

Forces water down for a drier ride

VARIABLE-DEGREE DEADRISE

For quick planing and unmatched stability

FIND YOUR PERFECT CRESTLINER

Experience performance and handling like never before with the redesigned 1750 and 1850 Super Hawk models. Now built with our proven Active Performance (AP-X) Hull, the 1750 and 1850 deliver maximum control and acceleration, along with increased engine performance. From skiing to tubing to wakeboarding, you'll have plenty of power for all kinds of tow sports.

The 1750 and 1850 Super Hawks are packed with plenty of other new comfort features as well. Including a refreshed console, upgraded seating, increased storage and new color options, you'll be able to get the most out of time spent on the water.

THE UP-FOR- EVERYTHING FAMILY

When it comes to the water, your family does it all. From old hobbies to new adventures, the answer is always "yes." No matter if it's fishing, tubing, skiing, cruising or even relaxing at the sandbar, a variety of activities—along with premium features and comfort—are key to keeping the entire family happy.

YOUR PERFECT BOAT:

- 6 Sportfish
- 12 Super Hawk

THE SERIOUS ANGLER

You're rarely seen without a fishing rod in hand because angling runs deep in your DNA. Features that give you the edge—over fish and other anglers—aren't just nice-to-haves, they're must-haves. And whether you're reeling in bass, muskie or crappie, you live for big catches and even bigger stories.

YOUR PERFECT BOAT:

- 17 Raptor
- 30 Authority
- 33 Commander
- 34 Bass Hawk
- 38 Pro Tiller

THE WATER FANATIC

Being on the water has always been your true calling. While bells and whistles are great, your main priority is making the most of every second with your boat. You need a rig that's adventurous and dependable for solo outings but has enough room for family and friends to join in on the fun.

YOUR PERFECT BOAT:

- 24 Fish Hawk®
- 40 Vision
- 44 Kodiak

NEW FEATURES AND OPTIONS FOR 2021

FEATURE-RICH CONSOLE

The 2100 Raptor puts performance at your fingertips. A new console features chrome multifunction gauges, room for 12" electronics, lit toggle switches and plenty of optional add-ons.

REMOVABLE SKI PYLON

Transform your boat into a water sports playground. An optional ski pylon, now available on Fish Hawk® jump-seat configurations, lets you waterski, wakeboard and tube with ease.

ADVANCED TILLER HANDLE

The new tiller handle on the Pro Tiller and Vision delivers more control than ever: swap it to either side, reverse the throttle grip rotation and easily adjust speed in 10 RPM increments.

DIAMOND-EDITION PACKAGE

Give your Deep-V a super-sleek look with this new package featuring stainless-steel accents, a 3D chrome hullside Crestliner logo and an aluminum-polished steering wheel with comfort grip.

SPORTFISH

THE FINEST CRESTLINER HAS TO OFFER.

Our flagship Deep-V Sportfish isn't designed to meet expectations—it's built to exceed them every single time you hit the water. Every inch of the Sportfish is packed with our most innovative, high-performance recreation and fishing features, putting it at the top of our lineup and the top of your wish list. Cast, troll, chase, tow, tube, ski, wakeboard or cruise, Sportfish adapts faster than you can buckle a life jacket. So whether it becomes your family's main hangout or your go-to fishing partner—or both—one thing is for sure: You'll be the envy of the water on every outing.

SUPER HAWK

CLOCK MORE HOURS AND EVEN MORE MEMORIES.

The Super Hawk gives you and your family plenty of ways to experience life on the water. Push its spectacular fishing features to the limits in the morning, take the kids tubing and skiing in the afternoon and end the day with a relaxed sunset cruise. No matter how you boat, the Super Hawk was born to do it all. And when you're working to please everyone in the family with the same rig, there's no better, more affordable choice.

KEY FEATURES

PREMIUM CONSOLE DESIGN
Sleek black console features chrome gauges, lighted rocker switches and plenty of space to mount electronics of any size.

JUMP SEATS
Standard jump seats fold flat to create a broad casting deck and flip up for additional seating.

STERN DECK
Stern deck features a large casting platform, jump seats, storage and a 10-gallon aerated livewell.

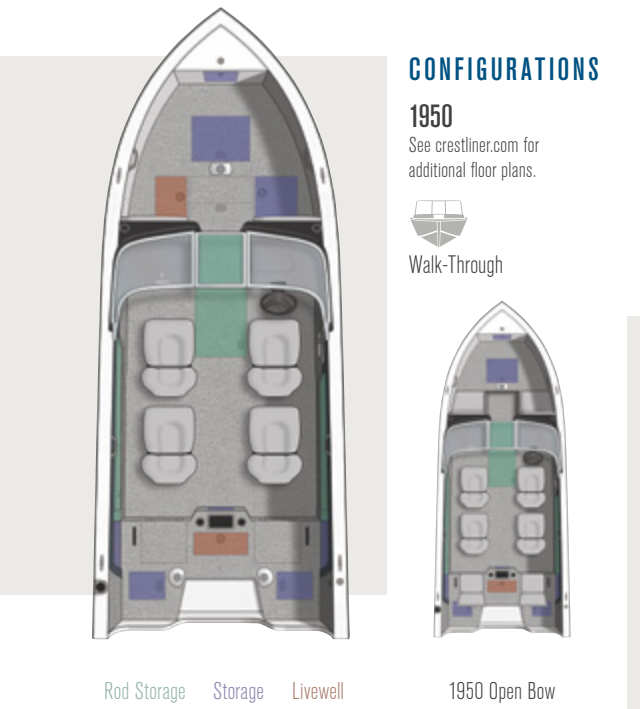

IN-FLOOR STORAGE
The high-capacity center in-floor storage locker provides ample space for all your water sports gear, complete with a rod rack tube system that accommodates 8' rods.

CONVENIENT CONVERSION BOW
The conversion bow easily converts from a fishing platform to a comfortable lounge and back in just a matter of seconds. To convert, simply remove the foldable center platform (left) and stow. Then add the optional bow pad to make it a comfortable lounge area.

RAPTOR

**THRIVES ON COMPETITION.
DRIVES ON ADRENALINE.**

The Raptor family isn't just competition-ready, it's competition-hungry—and ready to take on any obstacle in its way. Whether you're competing in a high-stakes tournament or working to set a new personal best, the Raptor is specifically crafted with advanced features that give you the edge: our revolutionary Active Performance (AP-X) Hull design, dual livewells and more casting space. And for the times you aren't gearing up to compete, there's more than enough room for everyone to join in on the thrill.

FISH HAWK

THE END OF YOUR SEARCH. THE BEGINNING OF YOUR ADVENTURE.

There's a reason why Fish Hawk® is our best-selling model family. Well actually, there are a few. Powerful performance and next-level comfort? Check. Designed for full-time anglers and family-friendly fishing? Check. Features that cater to more catches and more fun? Check. When you demand more from your fishing rig, the iconic Fish Hawk isn't just any boat—it's your boat.

FISH HAWK

1850 Fish Hawk WT

STERN LIVEWELL

The 1950 Fish Hawk® features a deep 17-gallon aerated stern livewell complete with timer, divider, bait bucket and separate lids for the livewell and baitwell. The 1850 and 1750 feature a 15-gallon aerated livewell with timer. (Capacity changes with jump seats.)

TWO-PIECE STERN CONVERSION BENCH

A split design gives the new two-piece stern conversion bench easier access to the stern livewell, adds seating when flipped up and extends the casting deck when folded down.

A BIG-WATER BOSS THAT COMMANDS RESPECT.

If you need a boat as fearless as you, look no further than the Authority. Whether you're facing nasty chop, dangerous whitecaps or bad weather, its open layout and wide, stable deck keep you in charge no matter the challenge. And when it comes time to land that big-water catch, the Authority always gets the job done.

KEY FEATURES

PREMIUM CONSOLE DESIGN

An ergonomic wraparound console accommodates multiple electronics with both consoles featuring convenient storage compartments below.

STARBOARD STORAGE

With two enclosed compartments and shelf storage, there's endless stowing space for even the most gear-heavy anglers.

PORT & STARBOARD WINDSHIELD WIPERS

Attack the elements in full confidence with optional port and starboard windshield wipers.

VERTICAL ROD HOLDERS

Never fear being under-equipped with this set of six optional vertical rod holders to keep your rods and reels secure.

BOW & STERN LIVEWELLS

The aerated 15-gallon bow and 20-gallon stern (shown) livewells make the perfect home for big-water fish. When dry, their insulated walls hold plenty of ice to keep fish fresh.

COMMANDER ELITE

BAD WEATHER BRINGS OUT ITS GOOD SIDE.

The harsher the conditions, the harder the Commander Elite works. Built with ultra-tough features from bow to stern, you'll never lack protection—or confidence—in any situation.

1850 Commander Elite

DIAMOND PLATE BOW

Durable diamond plating is welded to the bow for a fully sealed deck.

ULTRA-TOUGH COCKPIT FEATURES

Take control of the elements with a durable all-aluminum console and fully sealed walk-through windshield with optional wipers.

SST STERN WITH STORAGE DRAWER/CUTTING STATION

Enjoy more room to fish at the back of the boat with the Space-Saving Transom that features an integrated cutting-board drawer.

2050 | 1850

COMMANDER

CUT RIGHT TO THE CHASE.

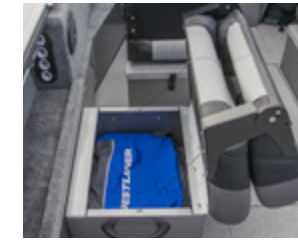

Rough water should never slow you down. From all-weather performance to rugged durability, the tough Commander is designed to dominate open water at all times.

National Pro Team members Jason Mitchell and Mike Sorensen in the 2050 Commander

ALL-ALUMINUM CONSOLE

The sturdy and roomy console features large, flat surfaces for mounting electronics and direct-mounted gauges.

BENCH SEAT WITH STORAGE COMPARTMENT

Optional port and starboard side benches provide extra seating and ample tuck-under storage.

IN-FLOOR ROD LOCKER

Load up to six 7' 6" (2050) and five 7' (1850) rods into a locking center rod locker.

CONTROL THAT NEVER COMPROMISES.

Every Pro Tiller design decision was made with the most important part of the boat in mind: the driver. From the tiller handle to the command console to the livewell, everything is within reach and under your control. So whether you're trolling a weedline or scanning the graph, you'll have the edge to catch any fish in your sights.

AERATED STERN LIVEWELL & BAITWELL
A 15-gallon stern livewell and dedicated 2.75-gallon baitwell (1850/1750) are positioned within easy reach on both sides of the tiller control. (1650 includes bait bucket.)

KEY FEATURES

NEW TILLER HANDLE
The new tiller handle delivers more control than ever: swap handle to either side, reverse the throttle grip rotation and adjust speed in 10 RPM increments with the tap of a button.

HIGH-CAPACITY CENTER ROD LOCKER
Outfitted with individual rod tubes for protection, a spacious center rod storage area holds 10 rods and includes space for a battery and charger. (1850 shown)

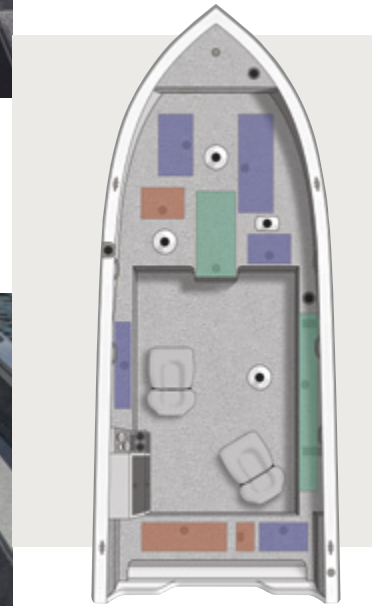

AMPLE BOW STORAGE
The Pro Tiller's bow has several large storage compartments, making it easier for you to get the gear you need, when you need it. (1850 shown)

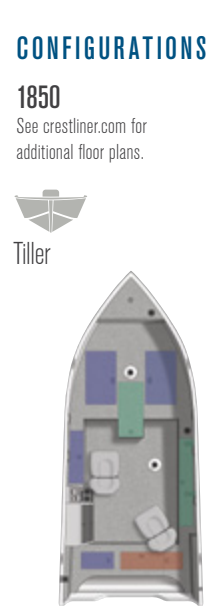

COMMAND CONSOLE
The durable, intuitive command console puts an electronics tray, drink holders and tackle storage all within the driver's reach.

VISION

1600 Vision

KEY FEATURES

1600 Vision Tiller

MULTIPLE CONFIGURATIONS

Multiple configurations allow you to choose the Vision that's right for you. Side Console, Dual Console and Walk-Through windshield are available on the 1700 and 1600. The 1600 is also available in a Tiller (shown).

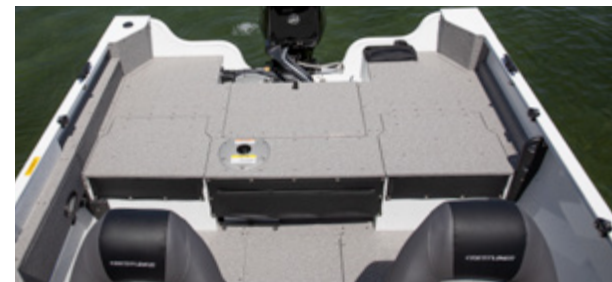

WALK-THROUGH CONFIGURATION

A convenient walk-through configuration features a wrap-around glass windshield to protect from wind and spray in rough waters.

OPTIONAL BOW CUSHION SET

Add comfort to your bow with optional seat cushions and backrests. When installed, they still provide easy access to all compartments. (Walk-Through only)

STERN DECK

The stern deck features a spacious casting deck and optional jump seats with storage below. The 1700 also features a 13-gallon livewell. (1600 shown)

TILLER CONFIGURATION

Looking for total control and essential fishing features within arm's reach, the Tiller configuration is a great choice.

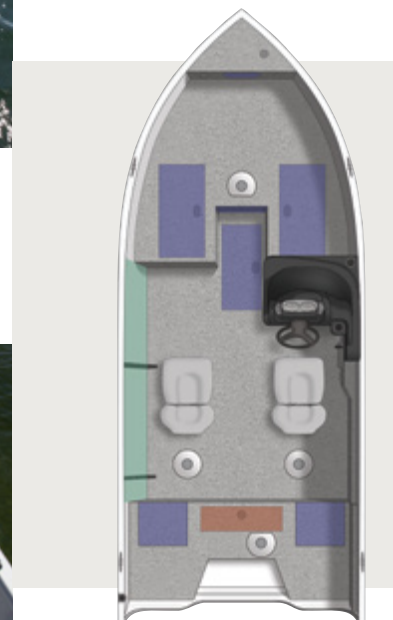

NEW ADVANCED TILLER HANDLE

The new tiller handle delivers more control than ever: swap handle to either side, reverse the throttle grip rotation and adjust speed in 10 RPM increments with the tap of a button.

FEATURES & OPTIONS

Add comfort, style, function and fun with a full range of features and options available for most boats. Visit crestliner.com or your local dealer for complete information.

DELUXE SEAT

The Deluxe Seat is extra wide for added comfort. The cushioned backrest conveniently folds down.

BUTT SEAT

The Butt Seat gives fishermen a sturdy spot to sit or lean against when rotated 180°.

JUMP SEATS

Add functional seating and platform space with a pair of optional jump seats.

BOW DECK PAD

The bow deck pad with bolsters creates a spacious lounge area and cushioned sundeck atop the bow deck. (Available on the Sportfish and Super Hawk. Sportfish shown.)

REMOVABLE SKI PYLON

All types of water sports are in reach with the optional ski pylon. (Available on the Sportfish, Super Hawk, Vision, Raptor JS and Fish Hawk® JS)

PRO SEAT

Anglers on long treks will appreciate the additional support of the Pro Seat. Enhance your comfort with NEW WavePro® High Performance pedestals for helm and passenger seats on select models.

RECLINING CAPTAIN'S CHAIR

Optional reclining helm and passenger captain's chairs with dual armrests and supple cushioning are a popular choice among anglers who value comfort.

TWO-PIECE STERN CONVERSION BENCH

A split design gives the new two-piece stern conversion bench easier access to the stern livewell, adds seating when flipped up and extends the casting deck when folded down.

J-HOOK HAMMOCK

Relax with the innovative J-Hook Hammock with a pillow pocket. Available on Sportfish and Super Hawk. (Excluding 1650) (Hammock should be used only when the boat is at anchor or at rest and never when the engine(s) is running.)

SWIM PLATFORM WITH LADDER

Throw the anchor and enjoy a swim thanks to the swim platform and ladder. (Available on Fish Hawk®, Super Hawk, 1850 Sportfish and Raptor JS)

WIRELESS MOB+™ SYSTEM

The MOB+ Wireless Man Overboard system's xHUB™ mounts near the console and wirelessly communicates with up to four wearable xFOB™ devices to safely cut the engine if the signal is interrupted.

MERCURY® VESSELVIEW®

Track your engine's performance data via digital gauges with this innovative technology from Mercury and use the built-in chartplotter to get to your favorite fishing hole.

FULL CANVAS ENCLOSURE

Available options for walk-through models include side curtains, aft/drop curtain, suntop/ Bimini top and tonneau cover. Covers attach securely to extruded gunnels with the easy on/off snapless J-Hooks.

Ensure proper ventilation. Full canvas enclosure should be used only when the boat is at anchor or at rest and never when the engine(s) is running.

*Not all processes, features and statements apply to every Crestliner boat model.

All prices and specifications subject to change. Crestliner reserves the right to discontinue models or change prices, specifications, materials, equipment, color or design at any time without notice and without incurring obligations. Some models are shown with optional features and equipment. Outboard model weights shown in this catalog reflect the approximate weight of the boat only, and do not include weights of the outboard motor or accessories installed. All boats meet or exceed United States Coast Guard regulations, applicable American Boat and Yacht Council standards and are certified by the National Marine Manufacturers Association. Our proven construction and its durability allow us to offer you one of the best warranties in the industry. Crestliner was the first to offer a limited LIFETIME hull warranty to the original owner. All main seam welds are covered. Interior support construction carries a limited 10-year warranty. Plus, you get a limited 3-year bow-to-stern warranty on virtually everything else. It gets better...Crestliner's warranty is transferable! When it's time to upgrade to a new Crestliner, you have the option to transfer the warranty to the second owner. (Limited Lifetime warranty differs for CR Jon boats.) Some restrictions apply. For complete details, a copy of our limited warranty is attached to each new boat or may be obtained from your Crestliner dealer. Many boats featured in this catalog are shown with available options. See your dealer for details. Every effort was made to ensure that this information was accurate at the time of printing. Crestliner assumes no responsibility for errors in type, in print or in photos. Please follow the rules of safe boating, be courteous to others and respect the marine environment. Special thanks to NMMA®, Onyx®, Fell Marine®, Mercury Marine®, Power-Pole®, and Cass Lake Lodge, Cass Lake, MN.
