

NEW
FOR 2009

IN SEARCH OF THE PERFECT 16-FOOTER.

An exciting addition to the Super Hawk series. This versatile Fish & Sport is perfect for watersports, cruising and fishing. This boat will compliment any cottage or lake home. It's easy to drive, gets up on plane fast and delivers smooth handling. Best of all, the 1600 is lightweight making easy to tow. Crestliner quality lets you get the most out of your day on the lake.

SPECIFICATIONS:

OVERALL LENGTH	16'3" (5.0m)
MAX HP	90
APPROXIMATE WEIGHT	1000# (454 kg)

FEATURES:

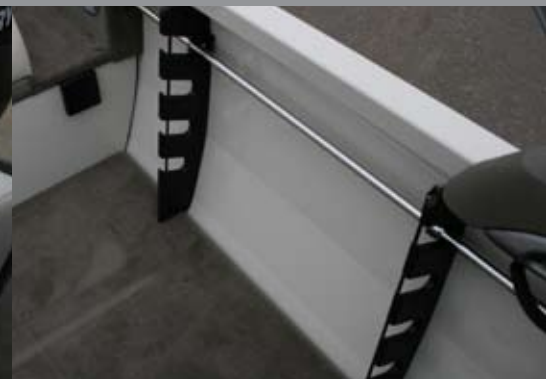

CONVERSION BOW

In seconds, this convenient conversion bow transforms from a bow-rider configuration to a serious fishing platform, includes storage and trolling motor outlet.

REAR BENCH SEATING

Standard in the 1600 Super Hawk is the convenient rear bench seat. When it's time for fishing the bench seat converts to a spacious stern fishing platform with livewell and storage.

ROD STORAGE

Rod storage on the port side helps keep your rods within reach yet out of the way and protected.
