

# Grand Cayman RFL

2785 & 2585 OB Rear Facing Lounge Tritoon

NEW FOR 2009

*New for 2009, the Rear Facing Lounge Outboard, a combination of luxury and function.*

New for 2009, the 2785 and 2585 is an ultra-comfortable, rear-facing double lounge with built-in stereo speakers with remote and mega-storage. Crestliner is the first to make a rear-facing lounge available as an outboard for the ultimate ride. You and your guests will appreciate the many on-board amenities, including plush cruise recliners, sculpted carpeting, large storage compartments and a Sony® premium sound system with iPod adapter. Step aboard and explore the thoughtful elegance and performance that is the Crestliner Grand Cayman. The rear-facing lounge is also available on the 2685 and 2485 stern-drive models.

## Features:

### Rear Facing Lounge

This ultra-comfortable rear facing lounge is perfect for sun tanning, reading, playing or relaxing while touring the lake. It features soft touch upholstery, drink holders and a built in stereo remote.

### Entertainment Control Panel

Control your Sony® premium sound system without getting up from your lounge. The controls are conveniently mounted on the armrest for access to your favorite onboard entertainment.

### Mega-storage

The rear facing lounge is not only plush and comfortable, it offers mega-storage space and a pop-up changing room.
