

SunCast

2185 SunCast Angler

NEW FOR 2009

New for 2009, the SunCast Angler, comfort and convenience at an affordable price.

The new SunCast Angler combines all the features of a SunCast with custom fishing features. It has a roomy layout, with a large 8'6" deck, simple yet functional design, and all the fishing essentials – aerated livewell, Lowrance® depth finder, bimini top and plenty of storage space for the perfect day on the lake. The large rear fishing platform is loaded with two pedestal seats and aerated livewell. Best of all, the SunCast is filled with Crestliner quality and attention to detail, making it an exceptional value.

Overall Length	20'2" (6.2m)
Max HP	60
Approximate Weight	1900# (861 kg)

Features:

** For additional SunCast specifications see page 24 of the 2009 Pontoon brochure*

Rear Fishing Deck

Two pedestal seats and an aerated livewell make fishing from the stern of the SunCast easy and comfortable.

L-Shaped Lounge

The SunCast features a comfortable L-shaped lounge with underseat storage. There's plenty of room for friends and family.

Aerated Livewell

The 19 gallon, aerated livewell with drink holders is conveniently located between the two stern fishing chairs.
