Warranty Transfer Information

The following is intended to give you a better understanding of the requirements of transferring a warranty, as well as what is transferred and what is not:

- Crestliner Boats has created a warranty transfer form to be completed by retail customers upon the purchase of a pre-owned Crestliner boat, model year 2011 or newer. **The boat must have time remaining on the “interior support, beam, rib or brace” warranty to transfer (10 years or less).** Transfer must be submitted within thirty (30) days of purchase, along with required supporting documents.
- All warranties, either new or transferred, begin from the original date of purchase by the first retail customer.
- The 3 year control, pump, radio, canvas, hardware and non-structural warranties are transferrable within 3 years of the original retail purchase.
- Any part of the warranty to the first retail customer that states “lifetime”, once transferred, will fall under the following prorated warranty schedule for 10 years:

Year	1	2	3	4	5	6	7	8	9	10
Crestliner Pays	100%	100%	100%	90%	80%	70%	60%	50%	40%	30%
You Pay	0%	0%	0%	10%	20%	30%	40%	50%	60%	70%

- The warranty may be transferred any number of times during the ten-year period. However, the warranty must be transferred consecutively by each owner following the original owner for future transfers to be valid.
- Items and accessories that hold their own warranties are not subject to the Crestliner Boat warranty (motors, electronics, trailers, etc.)
- Transferrable warranty is not available on CR Jon and Outreach riveted utility V models.
- See your local Crestliner dealer for warranty details.
